

Southwinds Church of Christ

New Facility
Fort Wayne, Indiana

A new 10,828 square foot facility on 7.8 acres of land in southwest Fort Wayne. The two level building includes a 350 seat sanctuary, administrative offices, classrooms and nursery area above a walk-out lower level fellowship hall with kitchen. A steeply sloped site includes parking for 150 cars at multiple levels and room for building expansion.

Completed December 2007
Project cost \$1,098,560
10,828 Square feet
